ALKHOLI TRADING

WHAT IS ALKHOLI TRADING?

AlKholi Trading was established to closer working on relationships with our clients and suppliers not only provide immediate and reliable services but to continually exceed expectations and goals. As a leader in Racking & shelving systems, we do are assess, design, manufacture and install of various storage racks and logistics systems in different international projects with our partners in many different locations within the middle east.

We choose high-quality raw materials to design, manufacture and install various adjustable racks, drive in racks, shuttle racks, cantilever racks, medium duty racks, light duty racks and auxiliary equipment's, which are extensively applied in various industries, such as the manufacturing industry, logistics warehousing industry, medicine industry, store supermarkets and libraries.

THE COMPANY

LinkMisr International, the Egyptian Largest Manufacturer and the local market leader of Racking and Shelving systems founded in 1993. Manufacturing our own products under the license from Link 51 UK, in 4 plants with total area of 21,000 sqm, Human power of 450 employees and a network of 11 international distributors.

From the design to the creation and Installation of the system, taking care of every detail, all our products are designed to suit even the most challenging of industries, this has allowed LinkMisr to successfully extend its services to the Middle East Region, Africa, Canada and USA.

THE FACTORIES

Ever since the very beginning of the first Factory and up until building the fourth factory, we tend to use the international standards and the most recent manufacturing techniques used in the market of storage solutions, this allowed us to have:

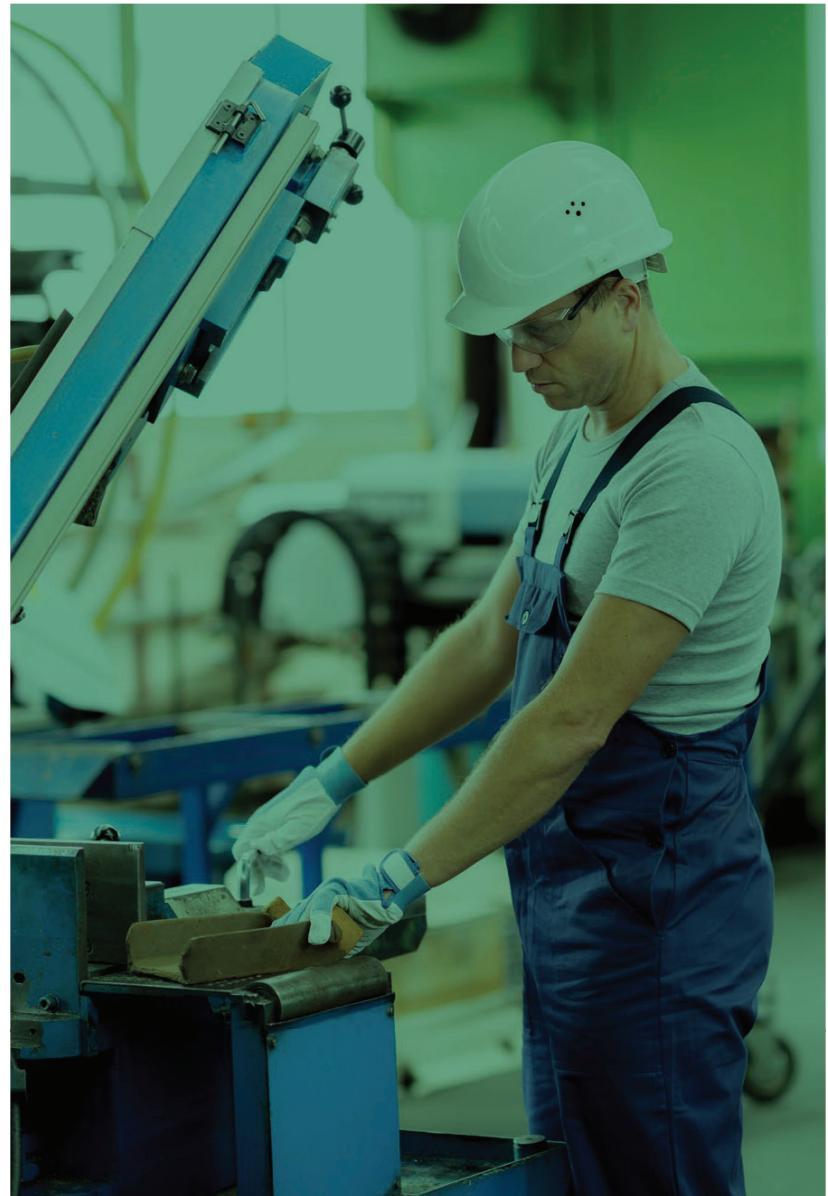

01. DESIGN STANDARDS AND GUIDANCE

LinkMisr international is an associate member of the "FEM"-The European Federation of Material Handling Manufacturers.

LinkMisr international is involved in FEM.'s initiatives for furthering product development and safety within the industry.

LinkMisr manufacturing is done according to the guidelines of the UK Storage Equipment Manufacturers Association (S.E.M.A)

LinkMisr international has expert engineering team for the design & verification of steel storage rack using modern engineering powerful tools for design and in-home test lab for testing components & connections. Our engineering dept. conducted to a wide network of third party consultation offices like Seismic-Inc. in USA and Cowen Association, UK, SCL-Ingegneria, IT in Europe.

02. ISO CERTIFICATES

CERTIFICATE

This is to certify that:

Link Misr International Company Co.
10th of Ramadan City 84 Area 30
Cairo - Egypt

has implemented and maintains a **Quality Management System**.

Scope:
Design, Manufacturing and Installation of Storage Systems.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 9001 : 2015

Certificate registration no: 40050138-QM15
Valid from: 2018-08-28
Valid until: 2020-05-13
Date of certification: 2018-08-28

DQS GmbH

Stefan He. 66
Managing Director

Accredited Body: DQS GmbH, August-Schlae-Strasse 21, 60431 Frankfurt am Main, Germany
Administrative Office: DQS Holding GmbH, Konrad-Adenauer-Allee 5-10, 61118 Bad Vilbel, Germany

CERTIFICATE

This is to certify that:

Link Misr International Company Co.
10th of Ramadan City 84 Area 30
Cairo - Egypt

has implemented and maintains an **Environmental Management System**.

Scope:
Design, Manufacturing and Installation of Storage Systems.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 14001 : 2015

Certificate registration no: 40050138-UM15
Valid from: 2018-08-28
Valid until: 2020-03-13
Date of certification: 2018-08-28

03. SERVICES

BEFORE SALE SERVICES INCLUDE

SPECIFYING THE SITE MEASUREMENT:

Determining suitable solutions and systems for storing. Designing an appropriate system which applies maximum storing ability. Responding to any inquiries.

AFTER SALE SERVICES INCLUDE

SHIPPING:

Accurate collation, packing and dispatch of products and components in appropriate containers (for land or sea shipment) Ensures that quality products arrive complete and ready for installation.

INSTALLATION:

Supplying and installing the storage system products in a professional manner, within an agreed time frame. Working efficiently and effectively to ensure customer satisfaction.

MAINTENANCE AND INSPECTIONS:

Regular racking safety inspections will help ensure that your storage equipment is maintained in a safe and operational condition, to comply with legislation, reduce hidden costs and improve safety standards and ready for installation.

PRODUCTS RANGE

01. PALLET RACKING SYSTEMS

WID AISLE PALLET RACKING
(100% ACCESSIBILITY)

NARROW AISLE PALLET RACKING
(100% ACCESSIBILITY)

MOBILE PALLET RACKING
(100% ACCESSIBILITY)

DOUBLE DEEP PALLET RACKING
(50% ACCESSIBILITY)

DRIVE IN PALLET RACKING
(30% ACCESSIBILITY)

**SATELLITE STORAGE SYSTEM
PALLET RACKING** (30% ACCESSIBILITY)

LIVE STORAGE PALLET RACKING
(30% ACCESSIBILITY)

CANTILEVER PALLET RACKING

MULTI TIER RACKING SYSTEM

RACK CLAD BUILDING

02. SHELVING SYSTEMS

LONG SPAN SHELVING

MEDIUM SPAN SHELVING

SHORT SPAN EURO SHELVING

**SHORT SPAN NEWSTORMOR
SHELVING (MONO, SOLO, DUO)**

LIBRARY SHELVING

MOBILE SHELVING

03. DRAWERS

LISTA STEEL DRAWERS

EURO PLASTIC DRAWERS

04. LOCKERS

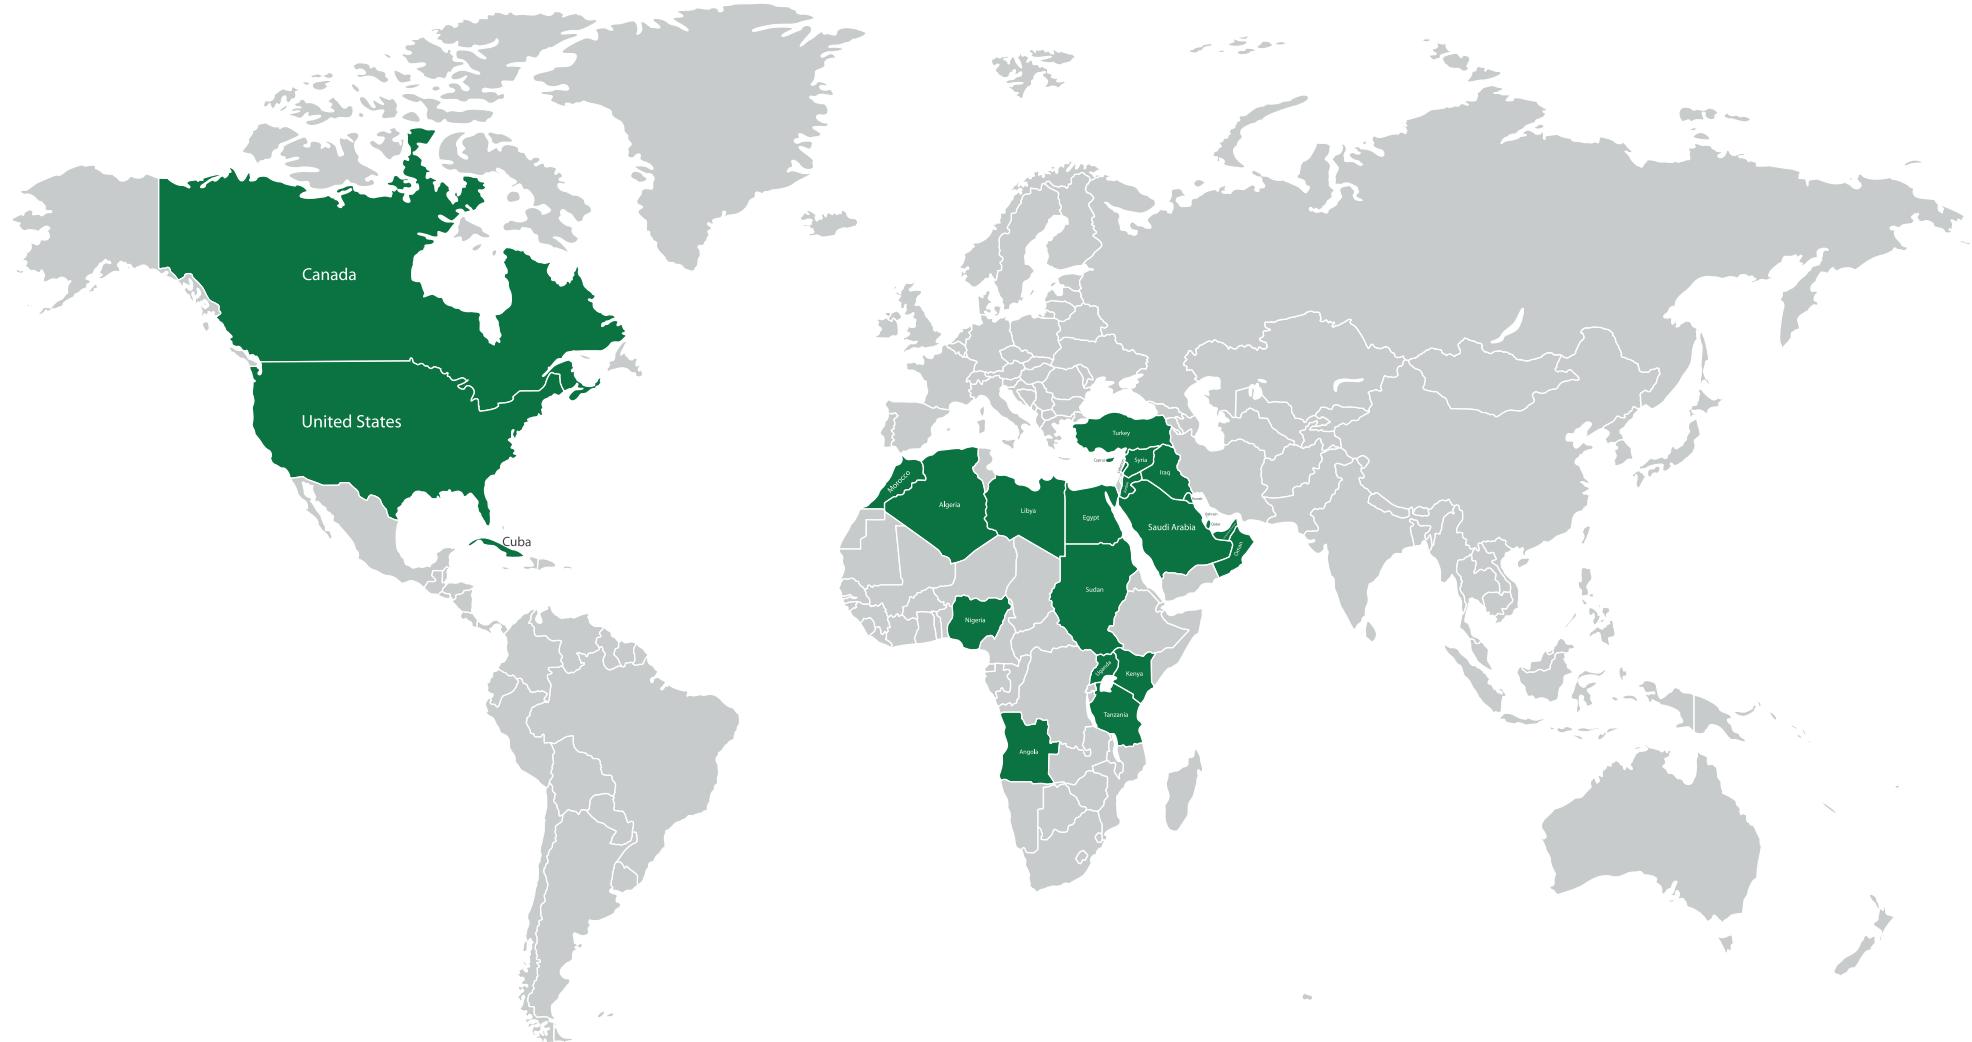

05. RETAIL

EXPORT

LinkMisr export their products to more than 20 countries

AFRICA

Libya
Algeria
Morocco
Sudan
Kenya
Nigeria
